INNOVATE

## WHAT YOU WILL GET?

**1**

32 Live Classes

**2**

Completion Certificate

**3**

15 Activities

**4**

1 TechIoT Advanced Kit

# IoT Advance

## Connected Devices. How It Actually Works!

- 1 Introduction to IoT
- 2 Simple Led Blinking
- 3 Firefly
- 4 Alternate Flashing Light
- 5 Light Activated LED
- 6 Dark Activated LED
- 7 Duel Led Flasher
- 8 Fading LED

# IoT Advance

## Connected Devices. How It Actually Works!

**9** Disco Light

**10** Eye

**11** Automatic Street Light Control

**12** Introduction to ESP32 Board

**13** Learning about IoT Platform

**14** Get your Computer ready for learning the ABC of IoT

**15** Controlling LED

**16** Smart Door Lock

# IoT Advanve

## Connected Devices. How It Actually Works!

- 17** Smart Intruder Alert System
- 18** Smart Parking System
- 19** Monitor Room Temp & Humidity
- 20** Smart Lamp
- 21** Plant Monitoring System
- 22** Liquid Level Monitoring System
- 23** Pollution Level Monitoring System
- 24** Troubleshooting
